Hola de Banámichi!

What a difference..

The monsoons have drenched the Sonoran Desert with life giving moisture that produces a carpet of green and desert flowers. In March the desert was gray and appeared lifeless but now it is glorious with ocotillo, cactus and grasses. This is a magic time - time to Dream, Discover and Explore the wonders of Northern Sonora.

Fiesta Time - September brings Dia de Independencia, September 15, with three days of celebration with music, dancing, food, carnival rides and parades. Banamichi hosts the defile de Gallo - The Parade of the Rooster, at 4 am on September 15th. This is followed by breakfast at the town plaza. This is a unique opportunity to be a part of and enjoy the culture, festivities and learn about Mexican history.
