February, 2011

Hola de Banámichi!

Spring is here...

And time to Dream, Discover and Explore the wonders of Northern Sonora.

January was spectacular with incredible weather consisting of warm days and cool nights. We had a cold snap for a week in February before bouncing back into the 70s and now we are looking forward to Primavera - Spring. The desert is starting to come alive, the cottonwood trees along the river are green again. Nights are cool with warm sunny days. Perfect weather to explore the Rio Sonora and Banámichi.

Filomena the Burra (a burra is a female burro.) came to visit us along with her friend **Angelina** (photo left) a few weeks back. They came to check out our new burro cart and give us all a ride. Filomenae and Angelina belong to Rosa our head house keeper. Rosa's son Jesus and husband Ramon hitched Angie to the cart and we were off and running with many of the neighborhood kids (and a few adults) joining in the fun. Give us a call and we will have the cart and one of the long-eared girls ready to take you on a tour of the town.

We also can arrange horseback rides along the river or to local ranches and up into the mountains to explore and enjoy sweeping vistas of the Sonora River Valley.
